**WEEK 7 ART SHOW DISPLAY**

Our art display will be held on Thursday 12th June. P-6 parents will be invited to visit the display from 11am. Entry fee of $1 will be charged as a fundraiser.

The children’s artworks will also be available for purchase. The special art assembly will commence at 11.45am following a picnic afterwards. Every class will be presented with an award for their participation and efforts.

3D artworks will also be displayed under the covered area of the hall.

In addition to what will be a great event the P&C will have hot drinks and biscuits available for purchase.

**DISNEY ON ICE**

A K-6 midyear excursion will take place at the Wollongong Entertainment Centre on Friday 13th June to see Disney on Ice.

All tickets have been purchased. Students will be in full school uniform including a hat. Students will unfortunately be unable to purchase food or drink at the performance. As a result ALL students will need to bring a packed recess, lunch and drink.

**PLAYGROUND**

This is a reminder to our whole school community that the play equipment continues to be out of bounds before and after school regardless of parent supervision.

Furthermore parents are asked to contact either the Principal or an Assistant Principal if they have any issues with students that attend Kemblawarra Public School. Parents are asked not to approach any students regarding any issues on school grounds.

**NAIDOC PUBLIC SPEAKING COMPETITION**

The school was very proud to have Bree and Shaniqua participate in the NAIDOC Public Speaking Competition last week. It was held at Figtree High School where the girls gave a speech on Aboriginal people fighting for Australia.

Congratulations girls, you did Kemblawarra Public School proud with your fantastic effort.

Mr. Trew

P&C News
This week we will be holding our P&C meeting on Friday 13th. As the children will not be having assembly on Friday due to Disney on Ice, we will be holding our meeting in the morning after the children go into class. We will be discussing more things for the Halloween Dance in October, the Father’s Day Raffle, and any other fund raisers for this term and next. Please come and have a coffee and a biscuit. Small children welcome as we have toys and an area they can sit in.

The P&C are running the breakfast club with the support of some lovely parents, if you can spare a fresh loaf of bread for Tuesday Toast Day that would be amazing. The kids love the variety and any donations would be greatly appreciated.

IN2 UNI
Year 5 and 6 students had a very enlightening day at the University of Wollongong on Monday 10 June. Students had a taste of what life is all about as a university student and what to expect for their own secondary education opportunities. Thank you to all the parents who came along and supported their children.

Canteen News
Notes went out last week for our ‘Aunty Peach Show’ which is a performance. We have been fortunate enough to have the opportunity for this performance to come to our school. The cost has been subsidized by ‘The Aunty Peach Show’ bringing it down to $3.50. The money for this needs to be paid by 9am Wednesday 25 June. The show will perform at this day and we look forward to what will be a wonderful experience for our students.

Canteen News
As there are so many activities happening this week, we are not having a canteen special. Watch this space for next week to see what is in store.

We will also be trialling some new items in the canteen over the coming weeks which are either green or amber foods to fall in line with the Healthy School Canteen guidelines. I can tell you some are going to be deliciously sweet treats. We are also going to trial some new healthy school canteen green light pizzas, so watch out for those.

We also want to give a big thankyou to our mums who help in the canteen each week. Without you the canteen couldn’t stay open. We all appreciate your time.
Tips on Student Attendance #10

It is important for parent/s or caregivers to make attending school a priority by not allowing children days off for birthdays, to go shopping, to look after younger children or because they were tired from staying up late. Allowing children to have days off for these kinds of reasons sends the wrong message and is against the law. Children who get used to having days off develop the attitude that attendance is not very important. This can become a big issue as the child gets older. Teach your children that being on time is important. Children that are often late miss the part of the school day when the teacher explains new activities. Also many students are freshest at the start of the day and can concentrate better.

We have loved listening to NSW Police talk in regards to keeping safe. Students were able to identify safe places, safe people, what to do in the event of an emergency and of course our emergency phone number in Australia being '000'.

We have started having 'show and tell' in the afternoons in our room. Children are able to bring in one special thing and place it in our frog box at the front of the room for the day. They love sharing their special things with their friends.

This week in the Buroo room we have been busy decorating our piñata for the show.

We hope you can join us on Thursday 12th June 2014. The children have been very busy learning about Mexico and learning the Spanish alphabet.

We have also loved the big wooden blocks this week. Group 1 started building their own room and group 2 children continued on with it. This activity helps the children to practice their trial and error, cooperation, and problem solving skills.
