**CHILDREN SHARING FOOD**
It would be most appreciated if parents would remind their children not to share their food or their lollies with other children. Many children, due to allergies and conditions, can have very bad reactions to nuts, sugar, milk, eggs and chocolate and the many preservatives and additives that are often found in foods and lollies manufactured overseas. Boxes and packets of discounted bulk food items containing high percentages of sugar, salt and other preservatives and additives must not be brought to school and be distributed to other students.

**SAFE ACCESS INTO THE SCHOOL**
For safety reasons we ask that no parents and children enter the school through the car park driveway. Please use the top gate near the crossing or the preschool gate to come into the school. Parents who come in through the preschool gate we ask that you walk along the pathway between the preschool and the demountable and avoid cutting across through the driveway.

**LOLLY DONATION**
The students of year 6 are reaching out to all members of our local school community and asking if sealed lolly bags can be donated to the school. If you are able to donate 1, 2 or 3 or as many as you like sealed lolly bags, please give to Miss Schroder or send in with your child to give to your child’s classroom teacher.

**SCHOOL UNIFORM SHOP**
We will be opening a Uniform Shop in the staff room starting this week. It will open fortnightly Monday, Tuesday and Friday 9:00-9:30am. Mr Ireland will meet you in the staff room at this time to purchase school uniforms. If you need to purchase uniforms outside of the uniform shop hours please see Mrs Murray or Miss Schroder.

**MARKET DAY 2014**
Year 6 are excited to announce that this year their Market Day will be held Wednesday 22 October, Term 4 week 3. The students are beginning to organise the bits and pieces they will need to run their stall. Every year 6 student is working with a year 5 student to operate their stall. Students will need to think carefully about what their stall will be as the students are providing what they are selling or using in their stall. Students are being asked to start bringing in what they can for their stall this week so they are organised next term. Thank you in advance to the local school community in supporting this event, the year 6 students and the school appreciates all the help that is given for this day to run successfully. All money raised goes towards the cost of the year 6 farewell and reducing the cost of the meals for our students.

**END OF TERM 3**
Thank you everyone for a wonderful Term 3. Have a safe and happy break.
Hi all. Well the last week of school is upon us. Thanks again for supporting the Father's Day stall and raffle, along with the FUN RUN. We raised some much needed funds for the school. Don't forget the Halloween Dance is coming up on October 31st. We need 2 and 3 litre plastic milk cartons for decorations for the P&C so bring them to the canteen and we will store them. Also, please remember to also bring in some donations of lollies, drinks etc. Thanks to Mr Ireland for donating some lollipops and lollies. Also, the P&C meeting is on after the assembly on Friday so make sure you come along and help us with our fundraising efforts.

There are no specials this week.

**Breakfast Club**

Don't forget toast Tuesday and Pancake Thursday. Anyone willing to help out please let us know.

**FUN RUN**

Thursday 11 of September our school held our fun run event. Congratulations to all the students for completing their fun run responsibilities and thank you to all the people who sponsored students for participating and help with the success of the event. All students participated in the event and we had great support from parents/caregivers and families on the day. The P&C held a sausage sizzle and all staff supported the students in preparing for the event. Mr Trew will continue collecting the money the students raised for the rest of this week before school so they can receive their prizes.

**Buroo Room**

(Jo and Sarina)

This week in the Buroo room we had lots of fun creating different pieces of individual art work. The Early Years Learning Framework, Outcome One tell us that children have a strong sense of belonging. By giving children an opportunity to be creative in their individuality allows for educators to fulfil this.

We had a farewell party for Mary who has been relieving as our SLSO whilst Sarina was on leave. Thank you Mary for all your wonderful ideas and creativeness whilst here at our preschool, we will miss you. Please come back for visits.

**Wombat Room**

(Amanda and Narelle)

This week in our room, we have started a project that we all will have input into. Group 2 discussed making a river in our classroom. We talked about the types of things we saw by the river and drew ourselves a picture of what that would look like. We then talked about what we would start with and began to work hard to get started. We taped blue cardboard together to start the river, taped blue cellophane onto it to make the flowing water and we also painted a rainbow. We are very proud of our work so far!

**Tips on Student Attendance #8**

Everyone in the community has a role to play in helping with school attendance.

Having students attend school is extremely beneficial to the future of local communities. However, many students do not attend school regularly or fail to attend at all. Schools, parents and caregivers, local community members and businesses are all an essential part of providing and supporting education in our schools.

Parents having difficulty getting their child to school should not hesitate to contact the principal for assistance.
