Buroo Room & Wombat Room

In the wombat room this week we have enjoyed building on our literacy skills and interests by making our own name badges (just like Amanda’s). We also ‘found’ a dragons egg and have been watching it hatch over the week. We have been excited to come in each morning and see how much it has come out of the egg and grown!

In the Buroo room, we did a group activity where we read ‘There was an old lady who lived in a shoe’ and then we modified it as a class. The children were really engaged with this activity. If you are able to, in the school holidays we encourage you to read to your child as often as you can. Maybe you could modify your own stories at home.

Reminders:

* Any parents who haven’t brought back their medical and emergency contact update forms ASAP, as it is important we keep all our documents up to date.

* Please label all your children’s clothing and items brought in for show and tell/news so that all of your child’s belongings can be sent home with the right children.

* Amanda would like her families to bring in a family photo to add to our family tree.

* Most importantly, please avoid sending your child to preschool when sick. This will help us to stop germs and sickness from spreading and help us to keep our preschool as healthy as possible, so that all children are able to enjoy their day.
