The children of the Buroo room have enjoyed learning about 2D shapes this week. Jo would love her families to help with bringing in recyclables to add to their craft resources.

The children of the wombat room have shown an interest in musical instruments and had the opportunity to experiment with the different instruments at the preschool, to make their own music. We have also loved playing with our animal puppets.

Reminders:
* Amanda would like her families to bring in a family photo to add to our family wall
* We are still waiting on some Emergency Contact & Medical Information forms to be returned. Please return them to your child’s teacher as soon as possible. Please complete them even if there have been no changes.
* Just a reminder to please pack your child’s hat each day. It is important to have a hat, as we are outside most days, weather permitting. The children have their own individual hat pockets in the bathrooms, as it may be easier to leave one at school for continual use. They may also need a change of clothes in case of an accident or messy play.
* Just a friendly reminder to please pack healthy choices in your child’s lunch box. We appreciate all of the families that are already helping us to promote healthy choices in our preschool.
* Most importantly, please avoid sending your child to preschool when sick. This will help us to stop germs and sickness from spreading and help us to keep our preschool as healthy as possible, so that all children are able to enjoy their day.

This term we are looking at telling an interesting narrative. As part of this we are looking at characters and settings.

We looked at the book, “The Worst Band in The Universe” (No, not Mr Ireland’s band) and we created an alien landscape.
