Kemblawarra Public School, Preschool

Term 2, week 8

Burroo Room and Wombat Room

The children in the Burroo room are looking at wellbeing this week. We have been looking at when we should brush our teeth and how to care for them. We have also created our very own pet shop. We are having a great time purchasing pets of all shapes and sizes, some even make funny noises!

The children in the wombat room have taken a real interest in pirates. This week they will be going on a treasure hunt! Keep an eye out for our very own treasure box we have made!

Reminders:

*Amanda would like her families to bring in a family photo to add to our family wall.

*On Wednesday 10th and Wednesday 17th of June we have the "Responsible Pet Awareness Parent workshop" from 8:45am - 9:15am this is a free incursion, could you please RSVP to your classroom teachers if you would like to attend, thankyou.

*As of term 3 to help your child become more independent and ready for big school, we will be encouraging them to open and unwrap their own food for morning tea and lunch. May we suggest to make this process simpler for your child that packaged food be left to a minimum, thankyou.

*On Tuesday 23rd and Thursday 25th of June we will be having a “come as your favourite character” dress up day, please feel free to bring party food in on this day (please no nut products or food that needs heating).

*Just a reminder that this is the very last week to purchase photos, please speak to your classroom teacher for more information.

*Just a friendly reminder, that we want to keep your children as safe as possible when playing outside in the sun, could you please pack a broad-brimmed hat instead of a cap for your child, to help keep them as protected as possible from the hot sun.

*Just a friendly reminder to please pack healthy choices in your child’s lunch box. We appreciate all of the families that are already helping us to promote healthy choices in our preschool.

*As it is coming into the cooler months, we kindly ask if parents could pack warm spare clothes (jumpers, tracksuit pants etc.) for your child to change into.

*Most importantly, please avoid sending your child to preschool when sick. This will help us to stop germs and sickness from spreading and help us to keep our preschool as healthy as possible, so that all children are able to enjoy their day.
