PARENT/CAREGIVER VOLUNTEER PROGRAM

We know now more than ever the importance and value of knowledge and education. The school is constantly working towards improving student outcomes across all learning. We are seeking any interested Parents/Caregivers that are able to help with the schools reading program. This would involve sitting with a small group of children and reading a book with them. This program takes place between 9-10 Monday through to Thursday mornings. If you are interested or able to volunteer an hour on a regular basis during this time on any of these days, please speak to Ms Schroder.

UPCOMING WORKSHOPS FOR PARENTS/CAREGIVERS

Do you ever find yourself in a pickle when it comes to homework or engaging your children to participate in homework? Do you ever wonder what activities you could participate in with your child that doesn't require a lot of time but allows for quality learning, educational value and fun? Do you ever wish you had a simple way of knowing exactly where your child is up to in their learning and how you can help them move forward? The school is looking at providing Parents/Caregivers the opportunity to participate in 2 workshops that will explore simple fun ways to engage and monitor your child’s progress in reading and mathematics. These workshops will be free and will provide you with practical and easy games and activities for all your family to enjoy. These workshops will be held in Term 4. More information will be provided closer to the date. If you are interested in attending these workshops please return the slip that will be provided in the upcoming information note that will be sent home at the end of term 3.

BOOKWEEK

Week 7, Monday 24 August to Friday 28 August is Book Week. The school will be going on an excursion to the library on Monday 24 August for the opening of Book Week and Wednesday the 26 August will be the opening of the Book Fair. Many exciting books will be available for purchase as well as some novelty items such as pens, pencils, rubbers and posters. Books will be available to purchase until the following Wednesday. The book parade will be on Friday 28 August at approximately 10am. All family members are welcome to come along to the Parade and join in the fun. The P&C are having a sausage sizzle at recess too. Hopefully you received a pre order form. Students are encouraged to dress as one of their favourite book characters on this day.

Science with Mr Brown

The students of Mr Trew’s class have been learning about growth and change through the life cycle of how plants grow and the what they need to survive. Students planted their own seeds each week and have been looking at the progress of their work. They are growing well!
